3 1 Many deer came to the meadow with their fawns. 2 He wanted to be like the handsome stag. 3 Run out of the forest and don't stop. 4 Soon they arrived at a quiet place under an old tree.

4 Bambi was born in a quiet place in the forest. His brown coat had lovely white spots. Bambi loved to play in the meadow with two other fawns – Gobo and his sister Faline. One day, Bambi and the other deer heard a noise like thunder: it was Man's guns. The deer ran out of the forest, but Gobo fell and couldn't get up. Bambi felt a terrible pain in his shoulder, and he ran to the other deer. Then he went with the Prince to a quiet place under an old tree.
